

eVAHAN — Landing Page Content Brief

Automatic Testing System (ATS) | Automatic Diving Training Centre (ADTC)

Prepared for: Content Management Team

Project: Standalone Domain Landing Pages | Pages: 2

Date: March 2026

Purpose	This brief outlines the complete section-by-section structure for two standalone landing pages. Each row marked 'To be written' requires content from the team before development begins.
Audience	B2B — Entrepreneurs and investors looking to SET UP an ATS or ADTC centre, not end-users of the service.
Tone	Confident, investment-forward, compliance-assured. Professional — not promotional.
Primary CTA	Lead capture form (Name, Phone, Email, City, Message) + secondary WhatsApp / Call Now button.
Tech Setup	Both pages will be built inside the existing Laravel application with a standalone minimal layout (no main site navigation).

PAGE 1 — Automatic Testing System (ATS)

Standalone landing page targeting investors / entrepreneurs who want to set up an ATS centre

SECTION 01

Hero Banner

Field	Details
Background	Full-width ATS facility image
Badge text	Government Approved GSR 195(E) Compliant
Main Headline	To be written by content team
Sub Headline	1–2 lines. Angle: ATS as a government-backed, high-demand business opportunity
CTA Button 1	Enquire Now — scrolls to lead form on same page
CTA Button 2	Call Us Now — tel link

Note: Headline should address a business investor/entrepreneur — someone who wants to SET UP an ATS centre, not someone using one.

SECTION 02

What is ATS?

Field	Details
Layout	Left: ATS facility/lane image Right: text content
Label (small)	About ATS
Heading	Automated Testing System (ATS)
Body Copy	2–3 paragraphs covering: what ATS is, why it is government-mandated, Ministry of Road Transport backing
Trust Strip	Logos of MORTH, ARAI, ICAT, CIRT displayed below the text (images to be sourced)

SECTION 03

Why Invest in ATS?

Field	Details
Section Heading	Why Invest in ATS?
Layout	5 icon cards in a row
Card 1	Government-Driven Mandatory Ecosystem — short description needed
Card 2	High Demand — Scrappage Policy & Fitness Norms — short description needed
Card 3	Limited Licenses — First Mover Advantage — short description needed
Card 4	Recurring Revenue Model — short description needed
Card 5	State Transport Department Partnerships — short description needed
Closing Line	1 line below the cards — tone: confident, investment-forward

SECTION 04

Government Policy & Compliance

Field	Details
Background	Light grey / smoke
Section Heading	Regulatory Framework We Operate Under
Card 1	GSR 652 (E) — short description of what this notification covers
Card 2	GSR 797 (E) — short description of what this notification covers
Card 3	GSR 195 (E), dated 14.03.2024 — short description of what this notification covers
Bottom Statement	1 line: confidence in 100% compliance and approval-readiness

SECTION 05

End-to-End Setup Support

Field	Details
Section Heading	Our End-to-End ATS Setup Support
Sub Heading	Complete turnkey solution — from concept to commissioning
Layout	6 numbered process cards — 2 rows × 3 columns
Step 01	Infrastructure Development — 2 bullet points needed
Step 02	Advanced Equipment Installation — 2 bullet points needed
Step 03	Regulatory Approvals — 2 bullet points needed
Step 04	Training & Capacity Building — 2 bullet points needed
Step 05	Operations & Maintenance — 2 bullet points needed
Step 06	Business & Operational Support — 2 bullet points needed

Note: Content for Steps 01–06 is available in the ATS brochure. Team to review and refine for landing page tone.

SECTION 06

Key Features of ATS Machinery

Field	Details
Section Heading	Key Features of Our ATS Machinery
Layout	8 cards — 2-column grid
Feature 1	Made in India Excellence — description needed
Feature 2	Smart OEE Monitoring System — description needed
Feature 3	Advanced CAN-Based Communication — description needed
Feature 4	QR Code Enabled Equipment — description needed
Feature 5	Proven OEM Integration — description needed
Feature 6	Energy Efficient Technology (up to 70% savings) — description needed
Feature 7	Durable Engineering (35,000+ hours lifespan) — description needed
Feature 8	Fully Government Compliant (GSR 195 E) — description needed

SECTION 07

Global Expertise

Field	Details
Section Heading	Global Technology. Local Execution.
Layout	Left column + Right column + Full-width highlight box at bottom
Left Column Heading	Global Technology Advantage
Left Column Content	3 bullet points — to be written by team
Right Column Heading	Why Our Global Partnerships Matter
Right Column Content	5 benefit tags: Higher Accuracy / Future-Proof Technology / Faster Approvals / Operational Efficiency / Higher ROI — expand each into 1 line
Highlight Box	4 pillars: Global Machinery + Indian Regulatory Expertise + On-Ground Execution + Pan-India Service Support

SECTION 08

Gallery

Field	Details
Section Heading	ATS Facility Gallery
Layout	Auto-scrolling image carousel
Images	ATS facility, machinery, testing lanes — existing images available

SECTION 09

Ongoing & Upcoming Projects

Field	Details
Section Heading	Ongoing & Upcoming Projects
Layout	4-image grid
Images	Project site photos — team to source
Footnote line	Detailed project list can be shared upon request

Contact / Lead Capture Form

Field	Details
Section Heading	Get In Touch
Layout	Left: company contact info Right: enquiry form
Company Name	iAUTO Ventures Private Limited (A Joint Venture of VKARE Retail Ventures Pvt. Ltd. and FDL Services, United Kingdom)
Contact Details	Phone, Email, Corporate Office address, Registered Office address
Form Fields	Name / Phone Number / Email / City / Message
Form CTA	Send Enquiry

PAGE 2 — Automatic Driving Training Centre (ADTC)

Standalone landing page targeting investors / entrepreneurs who want to set up an ADTC

SECTION 01

Hero Banner

Field	Details
Background	Full-width ADTC facility / training image
Badge	Government Accredited Ministry of Road Transport Approved
Main Headline	To be written by content team
Sub Headline	1–2 lines. Angle: ADTC as a high-demand, government-backed business opportunity
CTA Button 1	Enquire Now — scrolls to lead form
CTA Button 2	Call Us Now — tel link

Note: Same investor-facing angle as ATS hero. Avoid generic driving school language.

SECTION 02

What is ADTC?

Field	Details
Layout	Left: training facility / simulator image Right: text content
Label (small)	About ADTC
Heading	Automatic Driving Training Centre (ADTC)
Body Copy	2–3 paragraphs: what ADTC is, regulatory accreditation, training scope
Stat Strip	2–3 key numbers — e.g. licensed drivers demand, road accident data, market size (team to source)

SECTION 03

Why Invest in ADTC?

Field	Details
Section Heading	Why Invest in ADTC?
Layout	5 icon cards in a row
Card 1	Rising Demand for Licensed Drivers in India — short description needed
Card 2	Government Mandate & Accreditation Backing — short description needed
Card 3	Steady Recurring Fee-Based Revenue — short description needed
Card 4	Low Competition — High Growth Market — short description needed
Card 5	Contribute to National Road Safety — short description needed

SECTION 04

Types of Driving Training Centres

Field	Details
Section Heading	4 Types of Government Recognised Driving Training Centres
Layout	4 cards side by side
Card 1	IDTR — Institute of Driving Training & Research — 1-2 line description
Card 2	RDTC — Regional Driving Training Centre — 1-2 line description
Card 3	DTC — Driving Training Centre — 1-2 line description
Card 4	ADTC — Accredited Driving Training Centre — 1-2 line description (highlight this as what eVAHAN sets up)

SECTION 05

Training Programs Offered

Field	Details
Section Heading	Training Programs at Our ADTC
Layout	4–6 program cards with icon + title + short description
Programs	Full list to be provided by content team — e.g. LMV, HMV, Two-Wheeler, Defensive Driving etc.

Note: This section is entirely dependent on content team input. Please provide program names and 1–2 line descriptions for each.

SECTION 06

What We Provide — Setup Support

Field	Details
Section Heading	Our End-to-End ADTC Setup Support
Layout	6 numbered process cards
Step 01	Infrastructure Development — 2 bullet points
Step 02	Equipment Procurement & Installation — 2 bullet points
Step 03	Compliance & Accreditation Support — 2 bullet points
Step 04	Curriculum Development & Training Programs — 2 bullet points
Step 05	Instructor Training — 2 bullet points
Step 06	Operational Setup & Management — 2 bullet points

Note: Base content available from existing ADTC service page. Team to review and expand for landing page tone.

SECTION 07

Facility Features

Field	Details
Section Heading	World-Class ADTC Facility
Layout	6–8 icon feature cards
Feature 1	Driving Simulators — description needed
Feature 2	Dedicated Test Track — description needed
Feature 3	Classroom & Theory Room — description needed
Feature 4	Digital Learning Systems — description needed
Feature 5	Certified & Trained Instructors — description needed
Feature 6+	Add more features based on actual facility — team to fill

SECTION 08

Gallery

Field	Details
Section Heading	ADTC Facility Gallery
Layout	Auto-scrolling image carousel
Images	ADTC training facility, simulators, test track — existing images available

SECTION 09

Contact / Lead Capture Form

Field	Details
Section Heading	Get In Touch
Layout	Left: company contact info Right: enquiry form
Company Name	iAUTO Ventures Private Limited (A Joint Venture of VKARE Retail Ventures Pvt. Ltd. and FDL Services, United Kingdom)
Contact Details	Phone, Email, Corporate Office address, Registered Office address
Form Fields	Name / Phone Number / Email / City / Message
Form CTA	Send Enquiry
